

# Teacher pay raise adopted in budget

Upland Elementary School District trustees Tuesday night adopted a publication budget for 1967-68 containing expenditures of \$2,986,450 which retains pay raises for teachers and other employees, although the state legislature hasn't yet provided the funds for the increases.

A public hearing on the

budget will be held August 1 at 7:30 p.m.

"Governor Reagan is expected to act on budget matters this week," Superintendent Vern Orum told board members, "and I am confident the necessary state monies to provide the 5.4 increase for teachers is forthcoming."

Final adoption of the

budget will come in August.

Total expenditures in this budget are \$2,986,450, up \$98,450 over the preliminary budget of \$2,888,000 which the board took under consideration in May.

At that time the superintendent said the teacher and classified employee pay raises depended upon state monies to be provided by the

legislature.

The minimum teacher salary is \$6,000 and the maximum \$11,000.

Undistributed reserve funds of \$72,000 and general reserve of \$258,350 bring the total budget to \$3,316,000.

A health insurance plan for all employees of the dis-

trict is also included in the budget. Employees who wish to participate will pay a flat fee of \$100 on a ten month basis.

At the meeting Tuesday night trustees approved hiring 12 additional teachers for the forthcoming school year. It was reported only one more teacher is needed to fill the district staff for

1967-68 and that replacement was expected to be employed soon.

Jarvis J. Leman was re-elected president of the board for another term Tuesday. John Skewis was re-elected clerk and Floyd G. Allen vice president. Allen was also selected to represent the board on the county school reorganization

committee.

Resignations in teacher personnel accepted included Mrs. Carol Biedermann, Mrs. Vivian Eubank, Mrs. Linda Farley, Miss Sylvia Henry, and Miss Mary L. Ziegewald.

In other actions the board: Renewed an agreement for educational television ser-

vice with the county schools office.

Raised the mileage pay for employee use of their automobiles on school business to 10 cents per mile from 7 cents per mile.

Designated the superintendent or assistant superintendent of business to sign school district commercial warrants.

"LOOK OUT, BUSTER" says brown-eyed, brown-haired Carolyn Adele Perkins, 18-year-old beauty queen of Upland, as she passes Chamber Manager Tony Malone coming down the straw slope at Mt. Baldy Sunday. This is part of

the action available to area residents on July 23, Upland Day at the mountain resort. Miss Perkins works as a bookkeeper in Cucamonga.

## Plan for 'Big U'

### Imhoff is honored on retirement

Retiring Judge George C. Imhoff, with unabashed tears in his eyes, expressed his appreciation to county and city officials, friends, and former employees Friday night.

"To my wife I owe the greatest debt," said the former Upland Justice Court Judge. "Her encouragement throughout the years has been magnificent."

Mrs. Imhoff had suffered a minor heart attack just moments before the ceremony at the Ontario Elks Club. It was reported during the dinner her condition was not serious.

Judge Imhoff, born in Cherokee, Kansas, said he had wonderful recollections of people and events during his career in the law.

"My wife suggested I take the first step, an appointment as constable," he said, "and, as usual, her advice was sound."

The judge thanked the county for his opportunity to serve. To Dan Mikesell, chairman of the San Bernardino board of supervisors, he said:

"You folks never paid me too much, but it was enough. I have enjoyed my service to the fullest extent."

### End of an era

"THANKS, FRIEND"--Retiring Judge George C. Imhoff (at right) receives his thanks from the people he served during his tenure with the Upland Justice Court Friday night at a ceremonial dinner in the Ontario Elks Club. Mayor James Christensen spoke for the many area friends of the Judge. The court was merged into the Ontario Municipal Court July 1.

Upland Mayor James L. Christensen said Uplanders were proud to call Judge Imhoff "friend" and that they were equally proud of his record.

"Things will not be the

same," he said, "but it is something the citizens must accept."

The judge was formally presented telegrams, letters, and official proclamations from friends, former associates and employees and city and county boards.

He was served "going away" papers by his former constable and given a 25-year county service pin.

The Upland Justice Court was formerly merged into the Ontario Municipal Court system July 1.

### Merchants may redo the stump

The Big U stump which graces the entrance to downtown Upland may be headed for the beauty parlor.

And if plans to be presented to the retail merchants, Inc. tonight are adopted at a meeting in Upland Inn a uniquely designed sign of an old fashion clock tower concept will be placed atop the 40 foot stump.

Architect Paul G. Hershey said Monday his designs for a replacement for the Big U sign at Ninth Street and First Avenue, which was blown down last year, would blend into the architecture of the new town center.

"It will announce the revitalized section of downtown," Hershey said, "and be an integral part of it."

Raised white letters reading UTC for "Upland Town Center" will be placed on a green background atop the present pole and an exterior iron grill frame creating a carriage light effect, will extend skyward.

Approximately halfway down the pole lights will extend out over the street.

The height of the sign, which may be slightly over the minimum 40 feet, will be de-emphasized by the caged grill, steeple point, and flared out carriage lamps.

Overall, the sign will resemble a giant old fashion clock, except it will not tell time. The marquee on the old sign will be removed.

"It is a low budget sign which, never-the-less, captures the spirit of the town center," Hershey said. "It can be fitted over the present Big U shaft and I guarantee it will not be blown down."

Hershey said the fatal flaw in the old Big U sign was that it revolved and that continual stress caused by prevailing winds weakened its construction.

He said the final Santa Ana wind that blew the sign down last year was just the finishing touch. The continuous motion of the sign caused its final demise.

"The big UTC sign," Hershey said, "will be stationary. Actually it will have eight sides but the lettering will face only in four directions."

The sign will specifically tie in with the Early California architecture of nearby Upland Inn.

Ted Atwood, president of the Upland Retail Merchants Association called the meeting of merchants tonight at 7:30 p.m. at Upland Inn.

"We have a plan," Atwood told the membership in his letter, "and we feel that something can be done to change an eyesore into something of beauty and value to the downtown shopping area."

### Wins \$1500 scholarship

Michael E. Stewart, son of Mrs. Marguerite Stewart, 8611 La Grande, Alta Loma, won a \$1500 scholarship from the California State Scholarship and Loan Commission.

Mike, a 1967 graduate of Alta Loma High School, will use his award to attend the College of the Pacific in Stockton, California.

## Area residents welcome at band benefit day

## It's summertime on Mt. Baldy

'Summertime' and your Ma's goodlooking goes the refrain of a popular vacation song of Early Americana.

'Summertime and Mt. Baldy is open' is what the young in heart of all ages could well be humming Sunday, July 23, when its annual Upland Day at the mountain summer recreation spot.

Manager Herb Leffler said yesterday the plush carpet of welcome will be out for all Upland area residents during the event.

"The smog free facilities will literally be turned over to Uplanders and their friends from Montclair and Cucamonga," he said.

The Upland High School band will be the beneficiary of this year's Upland Day. Donations of 50 cents per person to ride the ski lift four miles up to the "notch" at 7,800 feet will go to the school band for transportation expenses during 1967-68.

Regular price for the ski lift ride is \$2.

At the top there is a grand

view of the valley all the way to Catalina Island off the California Coast as well as to the East a view of the high desert stretching as far as the eye can see.

That's for the oldsters. The young of all ages will picnic, hike the high country terrain, dance to Mountain folk songs, or ski on straw.

All summer facilities are open, including the restaurant, where you can dine in style.

The ski lift will operate

during the morning hours, July 23, but festivities will get under way in full swing at 2 p.m. when the Upland High School band will begin its concert.

Al Warren, band director, said the band booster club will make the trip and hold

### \$ Million bond sale

The County Board of Supervisors approved the sale of \$1,110,000 in Upland School District bonds last Monday, July 10.

The money will be used for rehabilitation of Upland Junior High School and the addition of eight classrooms--two science, two music, four academic--and a shower and locker building for the physical education classes.

Supt. Vern Orum said that the bond sale will allow the district to call for bids in August, with construction to begin late that month. Although completion is expected in the spring of '68, Orum did not anticipate the school would be ready for educational purposes during the next school year.

The junior high was closed under a provision of the Field Act, safeguards for public buildings from California's earthquake threats. UJHS students attended classes at Upland Elementary School during the 1966-1967 academic year.

The redecorated school will hold 750 students, but will "probably be filled to capacity within three years," according to Orum.

Principal manager for the bonds will be First Western Bank and Trust Co., operation for a joint group of investment firms.

a picnic at the high mountain facilities at "the notch."

The resort, only 15 miles from downtown Upland, is operating at full swing now. Sunday the annual Queen Contest was held.

Saturday 47 runners raced the four miles to the top. Best time was 27 minutes 13 seconds by Ray Hughes, Upland Junior High School teacher.

Running up the mountain is not recommended for the casual picnicker.

Mayor James L. Christensen and other city officials with their families will participate in the day's festivities.

"This is a wholesome activity for entire families of Upland to get out in some beautiful high country, above the smog, and play together," Christensen said today.

"I recommend that our people go to Church Sunday morning and then drive to Mt. Baldy for the afternoon. It is an opportunity that shouldn't be missed."

### Christmas in July--page one, 2nd section

UP TO 'THE NOTCH'--This is the easy way area residents will travel up to the top of the Mt. Baldy resort. The cost for the day, July 23, will be 50 cents per person. Usually the four mile trip costs \$2. All lift monies will go to the Upland High School band for next year's activities.

IT'S SIMPLE--Or at least that is what four-year-old Diane Christensen is being told by her proud father above as she learns the intricacies of summer skiing at Mt. Baldy resort Sunday. The mayor says he skied to school in Utah as a boy.

# Miss Hood weds Airman

Mr. and Mrs. Louis Wheeler

On June 25, in a Sunday afternoon ceremony at Kingman Chapel, Claremont, Miss Pamela Joy Hood and Airman Second Class Louis Gens Wheeler recited wedding vows.

Rev. Joseph Didier officiated at the ceremony attended by 150 guests. The organist was Mrs. Elinor Willing; Mr. Eugene Penner vocalized with "Hawaiian Wedding Song."

The bride, daughter of Mr. and Mrs. Leonard A. Allen of Upland, wore a full silk organza gown with lace applique and a chapel train with a shoulder length, six-tier petal veil held by a double crown of pearl beads in a heart-and-flower design. She carried a cascade of gardenias.

Mrs. Richard Mallard of La Habra was matron of honor; Mrs. John Hood, sister-in-law of the bride, and Miss Melba Wheeler, Pasadena, Texas, were bridesmaids.

The attendants wore sleeveless powder-blue crepe dresses with bodices of rose-patterned lace.

Gardenia-centered nosegay flowers with baby yellow roses and yellow daisies were carried by the matron of honor. The bridesmaids carried the same except for white daisies in their bouquets.

Dressed like the matron of honor, Deanna Carter, a cousin of the bride, was flower girl. Bobby Elles was ring bearer.

From Pasadena, Texas, James Wheeler, brother of the groom, attended as best man. John and Paul Hood, brothers of the bride, were ushers.

The bride's mother wore a mod georgette over a deep pink sheath with pale green accessories and a gardenia corsage.

The groom's mother was dressed in a pink sheath and lace coat with pink accessories. She also wore a gardenia corsage.

A wedding reception was held in the garden of the church, where a four-tier wedding cake with a bride and groom top decoration was served.

Assisting hostesses included Miss Julie Potts, guest book; Miss Ruth Wayne, gifts; Miss Carol Boggs, cake; Mrs. Barry Smith, coffee; and Mrs. Robert Elles, punch.

Following the reception a bridal buffet was held in the patio of the bride's parents, where the couple opened their gifts. Assistants for the buffet were Mrs. Ed Scully, Melinda and Harriet Scully, and Mrs. Harry Eason.

The bride wore a flowing georgette over a green sheath for the couple's wedding trip to the Newport Inn. They have now set up residence at 1130 W. 4th Street, #164, Ontario.

A resident of this community all her life, the bride is a graduate of Upland High, Chaffey Junior College, and is now an accountant for General Dynamics. She is a Past Honored Queen of the Upland Bethel, #287, of Job's Daughters.

The groom, a graduate of the Pasadena High School, Texas, San Jacinto Junior College, and the University of Houston, is now an airman second class stationed at Clark Air Base in the Philippines.

**SUMMER SESSION--**Stephan Fuller, daughter of Mr. and Mrs. Stephen Fuller of 891 11th Ave., Upland, is spending the summer in Louisville, Kentucky, with relatives. She is attending summer session at Bellarmine College and will return in the fall to Immaculate Heart College, where she is affiliated with the Delta Chi Phi Sorority.

# Golden wedding anniversary celebrated by Upland couple

The golden wedding anniversary of Mr. and Mrs. Harvey McMasters was celebrated with an anniversary dinner at the Upland Inn on Sunday, June 18.

The dinner was hosted by the couple's five sons and their families: Mr. and Mrs. Robert E. Nevada City, California; Mr. and Mrs. Deane, Camarillo; Mr. and Mrs. Larry, San Jose; Mr. and Mrs. Roger, San Diego; and Mr. and Mrs. Don of Ontario.

The honorees have 14 grandchildren and one great-grandchild, in addition to their five sons.

Mr. McMasters came to Upland from Helena, Montana in February, 1912, and his future wife, then Helen Smith, arrived from Paramount, California in 1915. The couple was married on June 2, 1917 at the First Methodist Church in Upland.

Mr. McMasters went to work for the Upland Post Office in December of '22 as one of the first letter carriers of this community. After 40 years of service he retired in 1962.

War I, and was chief observer of the local Air Observation Post during World War II.

Tables at the dinner were decorated with gold tablecloths, yellow carnations, and yellow rose buds with gold sprayed leaves. The cake was surrounded with yellow carnations and wood fern.

The golden couple cut the first piece of cake, and Mrs. Robert and Mrs. Deane McMasters finished the cutting and served the cake.

The honorees were then presented with a gold sprayed fir money tree brought for the occasion from Nevada City.

# Miss Clark in Church rites

In a candlelight ceremony on June 30 at the Cathedral of the Foothills, First Methodist Church, Upland, Miss Gail Helen Clark became the wife of Daniel F. Stiffler. Rev. Willard Schurr performed the ceremony.

The bride, daughter of Mr. and Mrs. Charles W. Clark of Upland, was given in marriage to the son of Mr. and Mrs. Frank Stiffler, Ontario, by her father before 300 guests.

She wore a princess-style gown designed by Constantino of silk organza, accented with fine cording. The gown had full bell sleeves of Venice lace and scattered lace medallions on the skirt, with a detachable Watteau train.

A pillbox with scattered lace appliques held her shoulder length veil. The bride carried three white orchids with magnolia leaves and white velvet streamers.

Attendants included Miss Jean Alderfer of Upland as Maid of Honor, and Lauri Stiffler, Ontario; Glenda Todd, Ontario; Dianne Hamilton, Upland as bridesmaids.

They wore long yellow crepe gowns and had matching garlands of flowers in their hair. The maid of honor carried white daisies, baby's breath and yellow roses with olive green velvet streamers in her bouquet. Bridesmaids

carried white daisies and baby's breath with olive green velvet streamers.

John Smiderle of Ontario was best man, and Russell Hatch, Ontario; David Jensen, San Diego; Tony Nilus, Ontario; John Brite, Santa Barbara; John Clark, brother of the bride; and Thomas Stiffler, brother of the groom served as ushers.

The latter two were also candlelighters.

Mrs. Mary Jane Hess provided the organ music for the ceremony.

A reception was held in the fellowship hall of the church immediately following the ceremony. A four-tiered wedding cake with top decorations of white daisies, baby's breath and fern was served.

After a four-day wedding trip to San Francisco the couple established residence at 303 W. "H" St., Ontario.

The bride, a 1963 graduate of Upland High School, was an American Field Service exchange student to Germany. She will attend School of Education at the University of California at Santa Barbara next fall, where she will major in political science and minor in German.

The groom will be a senior next fall at UCSB, where he is majoring in marine biology. He graduated from Chaffey High School in 1960 and

was the sports editor of the Tiger Rag at Chaffey.

After serving his tour of duty from 1960 to 1963 in

the Pacific for the Navy, he attended Chaffey Junior College, where he was on the Dean's List.

# Spanish Trail Scout on Mexico journey

Carol Locke of Upland has departed on a Girl Scout sponsored event entitled "1967 Juliette Low Journey into Mexico," it was announced by Mrs. Cory Aylor, Spanish Trails Girl Scout Council Program Committee Chairman.

Mrs. Aylor said the project is to try to find ways that a troop-sized group of Senior Girl Scouts can have a meaningful international experience without attending specific Girl Scout events, and without living in Girl Scout homes. It is anticipated that, as a result of this event, suggestions can be developed which will help future traveling troops.

# What's New In Fashion?

By Mrs. John Webb

(Editor's note: Mrs. Webb served in the Upland area for more than eight years as Hospitality Hostess before going to La Sierra College to work toward her masters in home economics. Here is an essay she has written on the latest styles that should be of interest to our women readers.)

Fashion now is real, it's casual, free, easy. It's not fixed, not rigid, not stiff. It's not merely a matter of WHAT you wear, but HOW you wear it. Keep your eye on fashion. Watch it change. Modify your own looks subtly so that you're always right in step.

Skirts have been creeping up for many seasons now and just because you took the drastic step and shortened yours two years ago doesn't mean you're up to date. Look at your hem in the mirror and decide what's the best short length for you to wear for 1967. The hem furor has

settled down to a matter of individual proportion.

Hair teased to tottering, prickly heights and lacquered, is last year's museum piece. Let your hair move. Have it look as if you only wash and brush it.

Make-up that's in looks fresh-faced, natural. Only you know just how much time was involved in getting it to look like it's not even there. Lipstick should accent or blend with clothes. Follow your mouth lines with subtle, flattering color.

With hemlines climbing higher and higher, leg watching is back in style. Keep your legs in the swing of things. Remove unattractive hair. Cover legs with stockings that are color-coordinated to your outfit.

The hard and fast rule of pearls-if-by-day, diamonds-if-by-night has been filed away. Get with it. Wear the space-age jewelry--bold geometric shapes, bright colors, in plastic, enamel, papier mache. Wear swinging earrings, bold watches, important pins.

A hat that seems to apologize for its existence--that is worn only to cover a wilting hairdo or because etiquette requires it, is out. Wear a smashing hat with due authority and conviction.

Don't look bumpy! The look for now is one of natural body shaping. Find the right balance between your body and today's softly-fitting clothes with the help of today's new, softer foundation

garments. The slightest bump, crease, seam or raised edge shows through. Smooth lingerie is best.

Eyebrows that call attention to themselves are out. Today they're being played down. Use a pencil with care.

Dragon-lady pails give hands a useless and unfeminine appearance--a look definitely not for today's girl. Shape your nails softly. Color them to coordinate with your outfit and with your natural look make-up.

Forget your giant-sized purses which sloppily hold just about everything portable to you. Save them for outings to the beach or country. Be neat. You can put everything you'll need for a day in a tidy, sensibly sized bag.

Low, comfy shoes are in. They make proportion sense with shorter skirts. Check for saggy instep, scuffed toes, worn heels, repair and polish.

Aftersco dresses are in. (Fresh, cool, outdoor, cut-out). These cutouts are the looks for now--looks which bare you prettily in unusual places. Skin must be clean and smooth for this type of dress. Every dress should have seams where they belong (no rips), zippers fastened, hooks and snaps on securely; no soiled spots. Belt should be comfortable not binding or sagging; always clean.

**DASHING IN FASHION**  
Learn to express individ-

uality through dress. Fleetingly FADS follow the crowd's dress cliches, are merchandising tricks which flatter the individual only by accident. FASHION is more stable, takes into consideration design for the individual, allows the wearer to represent a true, becoming picture of herself. Study fashion (design, color, fabric) in relation to your personality, face and figure. Choose clothing to express yourself and to look different ways for different occasions.

**DEMURE IN TASTE**  
**DEVELOP DASH**, dress with style, dare to let your clothes represent you, be dressed tastefully for the occasion. Consider the place you are going, the activity, the mood of the occasion, the people who would be there, and local custom regarding clothing for that occasion.

When dressed in taste, women can forget their clothes and enjoy themselves.

The Upsilon Chapter, Delta Theta Chi Sorority of Upland has entered a table setting team in the table setting by clubs competition, Domestic Arts division, for this year's Los Angeles County Fair, to be held this year from Sept. 15 to Oct. 1.

# Upland grads wed in Claremont

Mr. and Mrs. Kenneth Wilcox

Two 1965 graduates of Upland High School were united in marriage at Webb Chapel, Claremont, on June 24, 1:30 p.m. Rev. Bruce Gabbert, associate pastor of the First Methodist Church of Upland, performed the ceremony.

Cheri Christine Winterbourne, daughter of Mr. and Mrs. Eldon Winterbourne, 816 N. Third Ave., became the wife of Kenneth Ronald Wilcox, son of Dr. and Mrs. K.R. Wilcox, 1771 N. Third Ave., Upland.

The bride, given away by her father, wore a formal cage of chandilly lace over satin sheath with a portrait neckline and tapered sleeves.

A wrap-around crown of pearls and crystals held the cathedral-length illusion veil on which applied motifs drifted from her shoulder to the tip of the train. She carried 24 baby white roses as her bouquet.

The attendants were Jackie Winterbourne, sister of the bride, as maid of honor; Barbara Wilcox, Upland, and Marilyn Hassett, Whittier, as bridesmaids. Matching pale yellow, dotted Swiss empire gowns,

sleeveless, were worn by the attendants. The maid of honor carried white daisies with yellow and green centers and white ribbons, and the bridesmaids carried yellow daisies with green centers and moss green ribbons.

Janet Wilcox, sister of the groom, and Tracey Wake, Upland, were flower girls at the ceremony attended by 200 guests.

Keith Zavitz of Upland was best man. Ushers were Larry and Jim Winterbourne, brothers of the bride; Darrell Winterbourne, cousin of the bride from La Verne; and Dennis Coon of Upland.

Mrs. Carl Hess, Upland, provided the organ music for the wedding.

A reception attended by the guests was held at the groom's home in Upland. The couple then left for a weekend on Balboa Island, and will reside at the University of California at Riverside in October.

The new Mrs. Wilcox works at the General Telephone Company in Pomona.

The groom is employed at Sunkist in Ontario this summer and will major in language and sociology at UCR in the fall.

FUN, FUN, FUN!—These newly-elected officers of the "Fun After Fifty Club" were installed by Jack Blair at the Club's Fourth Annual Birthday Party held recently. They are, from left to right, Mrs. Ruth Jenkins, treasurer; Mrs. Nellie Welch, secretary; Mrs. Frank Clement, second vice-president; Earl Hawthorne, public relations; and Milton Tees, re-elected president. Not shown is Dan Engle, first vice-president.

## Pittenger graduates

Thomas D. Pittenger, son of Elise L. Pittenger, 8204 Tapia Via, Cucamonga, graduated from Westmont College, Santa Barbara on June 17.

An alumnus of Upland High School, Thomas was a member of the Circle K and the Business Club at Westmont. He completed two majors,

business administration and social science.

Installation of officers was held recently at the Fourth Annual Birthday Party of the Senior Citizens "Fun After Fifty Club" at the Upland Woman's Club.

The meeting was opened by Milton Tees, president, and the invocation given by Rev. Richard Mitchell of the Upland Presbyterian Church.

Dinner was served by the ladies of the Woman's Club. Tables were decorated by Alice Wirl and her com-

mittee.

Following the dinner Mr. Tees introduced these guests from City Hall: Mayor and Mrs. James Christianson, Mr. and Mrs. Pinky Alder, Mr. and Mrs. Homer Greer, and Alice Massey.

Those introduced from the Kiwanis Club were Mr. and Mrs. Jack Blair, Mr. and Mrs. Robert Mather, and Mr. and Mrs. Herschel Glenn. The four charter members also greeted were Myrtle Allan, Myrtle Maxwell, Bernice Bloomfield, and Earl Hawthorne.

Mr. Blair installed the newly-elected officers: Mr. Tees, president; Dan Engle,

first vice-president; Mrs. Frank Clement, second vice-president; Mrs. William Welch, secretary; Mrs. Floyd Jenkins, treasurer; and Earl Hawthorne, public relations.

The highlight of the evening was a program of old-time music presented by the San Bernardino Nut Cracker Band. "As soon as you saw them you had to laugh," stated President Tees. "I couldn't even begin to describe their costumes!"

Evidently everyone there felt the same, for as the show ended, the group was greeted with thunderous applause, and our Mayor even let loose with a fingers-between-the-teeth whistle.

## Temperance Union meet

Mrs. Emma Landstrom will present her department, Home Protection, when the Upland Woman's Christian Temperance Union meets Friday, July 21 at 1 PM in the home of Mrs. Iva Marr, 170 Tenth Ave.

Presiding will be Mrs. Iva Marr, president. Devotions will be by Mrs. Katie Habbegar.

Discussion of pending legislation will be followed by action if need is indicated.

# A hitters season in Foothill Little League

It's been a hitters season in Foothill Little League play this year. Eight of the top ten sluggers have hit over .400 and Dave Hill, the league's Ted Williams, has a phenomenal .660. Evidently the hitting spree have rubbed off on the younger players for two-year-olds, Jeff Wallace and Robert Hanson have clubbed their way to .460 and .418 averages respectively.

...  
Foothill All-stars are practicing now for the post season competitions. Manager Fred Campbell and Coach Gene Hill are putting them through their paces and the practices are a happy scene.

All-stars are Sam Patella, Keh Wolfe, David Hill, Kelly Tetzlaff, Tom Kelber, Tom Borba, Cris D'Handt, Daniel McCarthy, David Wallace, Neil Boring, Pete Keeney, Alan Campbell, David Carter, and Charles Nelson.

...  
The top ten batters boast a combined batting average of .436. That's fine hitting in any league.

**POCKET-SIZE POOL**--These pee-wee hustlers are the champs in the Upland Recreation Department-sponsored city carroms championships. Carroms, like the one shown in the foreground, is a type of table pool and requires the same keen eye and steady hand as does regular pool.

# Foothill Knolls win carrom cups

Joe Ferris and Henry Bouwman were crowned champs in the recent Upland Recreation Department-sponsored city carroms championships. The event was held at Citrus Elementary School, one of the six afternoon recreation centers.

Ferris, 12, had no trouble taking the 12-and-under division, winning five straight in the round-robin tournament. Bouwman, 8, won the 9 and under title in a play-off with Ted Van Duijn, 9, representing Citrus. Both Ferris and Bouwman are from Foothill Knolls. Chris D'Hondt, 11, Magnolia, finished second in the senior division.

Other participants in the championships were Martin Lucero, 12, and Joe (Pee Wee) Alonzo, 9, Upland Junior High; Kurt Dockman, 11, and Bryan Evers, 8, Sierra Vista; Curtis Oldenkamp, 11, and Jim Daley, 8, Baldy View; Tom Trudeau, 9, Magnolia; Chuck Perry, 12, Citrus.

The twin sweep for Foothill Knolls puts them in first place in the recreation center point standing with 20. Magnolia is in second place with 9 points, followed by Upland Jr. High and Citrus each with 8; Baldy View 6 and Sierra Vista 5.

The next city tournament will be checkers, billed at the Sierra Vista Recreation Center on July 19.

**FUN AND GAMES**--Mrs. Marcia Underwood, center, the arts and crafts director for the Upland Recreation Program, instructs her center supervision girls on projects for the coming week. The supervisors under Mrs. Underwood's care are, from the left around the table, Sherry Fuchas, Susan Welty, Mary Welty, Mrs. Underwood, Mary Connelley, Emilie Rawls, and Jannette Wiltsey. All arts and crafts instructors meet on Friday for one hour to plan and prepare material for the following week.

# Second tennis session Monday

The second session of free instructional tennis classes will begin Monday, July 17, and end July 28. The two week lesson are part of the city's summer recreation program.

Registration will take place at the Upland High School and Pioneer Junior High School tennis courts at 8, 9, 10 and 11 A.M. Afternoon classes are held at the High School only at 1 and 2 P.M. Adult and junior classes are offered Tuesday and Wednesday evening 6:30 to 8 P.M. at the High School.

Children 9 years and older and adults are offered this instruction. Classes are open to novice, intermediate and advance players. Rackets and balls are furnished although persons having rackets are urged to bring them.

## Sierra Swim club team

The Sierra Swim Club, 1275 W. Foothill Blvd., is sponsoring a Sierra teen party for members and guests on Friday, July 14, from 8 p.m. to midnight. Donations will be \$1 per person, and refreshment will be available. Music will be provided by the Precious Few, an Upland group.

# Should city fence field?

City Council Wednesday night held over a decision of whether or not to spend \$1500 to completely fence the baseball field at Upland's Memorial Park which was the scene last week of the championship American Legion Tournament.

The city Parks and Recreation Committee has recommended that the expenditures not be made and Councilman Max Hawkins said Thursday he felt the park would not pay its way.

A decision was held over until the first meeting in

August when Park Commissioner George Gibson, now on vacation, will be in attendance.

Mayor Frank Christensen said during the Legion Tournament the park was jammed to capacity "with more people than could be found at any other ball field in San Bernardino County."

He said officials and spectators expressed their pleasure at the quality and convenience of the field.

"I want the field to be fenced so admission can be

charged and thus defray the expense of maintenance," Christensen said.

The mayor originally suggested fencing the entire park and was successful at getting the money earmarked for that purpose, subject to a review by the Parks and Recreation Committee.

In the absence of Councilman Gibson, City Manager Elwin Alder reported the Park and Recreation Commission mentioned policing and maintenance in discussing its recommenda-

tion to not fence the park.

"They seemed to think teenagers might go over the fence at night and get into mischief out-of-sight of cruising policemen," he said.

Councilman Ronald L. Rossiter moved that in the absence of Councilman Gibson action on fencing the park be postponed until he gets back.

He also asked that the officials of the various baseball leagues be invited to the meeting.

Mayor Christensen pointed out the Memorial Park association, without the aid of city funds, has built the fence around the outfield of the ball park and installed the dug outs.

"This is the first time they have come to the council for funds," he said.

At the Wednesday council meeting, Paul Hershey, Upland architect, presented plans for Magnolia Park, a new facility to be installed on five acres of land West of Magnolia Street on North side of Fifteenth.

The plans were approved.

LOOK MOM, WE WON! -- The big-time Yankees have a namesake they can be proud of, for these younger Yankees are also winners in their own right. This team won the 1967 Minor League Little League Championship by placing first in the Vineyard Little League. They all received trophies at a celebration picnic at the Upland Memorial Park. That's the team manager, Edward Payce, towering above the boys -- he got a

trophy, too, for a job well done. His winners are (back row, left to right): Dave Brosnahan, John Garcia, Mike Morgensen, Jim Poole, Wayne Saddlemier, David Javin and Howard Kline. Yankees in the front row, from the left, are: Manuel Acuna, Tony Payce, Al Redick, Tommy Kender, Joe Aguilar, Pat Javin and James Watson.

## Yankees win minors championship; Sport 7-6-1 record this year

The Yankees, with a 7 won 6 loss 1 tied record, have won the 1967 minors championship in the Vineyard Little League.

A victory celebration was held Friday, July 7, at Upland Memorial Park, when the manager and the players will be presented trophies donated by the parents.

Honored at the picnic were the players, Manager Ed Payce and Coaches Tom Teague and Jake Poole.

The team's star player, Howard Kline, a versatile catcher, pitcher and third baseman, has been drafted to play on the major league

Warriors team next year.

Players on the champion Yankee squad are Wayne Saddlemier, Tony Payce, Pat Javin, Joe Aguilar, James Watson, Tom Kender, Howard Kline, Mike Morgensen, Manuel Acuna, Mike Sloan, Dave Brosnahan, Al Redick, Jim Poole, John Garcia and David Javin.

## Kiwanis to New parking plan for Memorial Park Dodge game

Ed Novell is taking reservations for members and guests of the Kiwanis Club for Kiwanis night at Dodge Stadium. Reservations are on a first come, first served basis for the August 21 ball game.

## All-star dance is Saturday

A dance honoring the Cucamonga Citrus Little League all-stars will be held at Casa De Mayo on Ninth Street in Upland Saturday night.

Funds from the affair will be used to finance the all-star game July 20th between the Citrus all-stars and the Vineyard Little League all-stars of Cucamonga.

Dancing will start at 9 p.m. to the theme to be set by Hall Willis Sextet.

Donations of \$2 per person or \$3.50 per couple will be asked.

Opening of this new parking lot provides two major parking areas, the other being adjacent to the Community Building which was installed somewhat over a year ago. Eventual plans call for further expansion of the two existing lots and installing a third lot in the southeast sector of the Park.

A new parking lot has been installed on the east side of the Park and the City will very soon mark certain curbs inside the Park with red and install "No Parking" signs so that traffic can move once it is in the Park.

Mott signed an order that will at least temporarily end a 22-year ban against keeping dogs overnight in the state park system. But the order sets tight controls on dogs both day and night.

## Downey slates invitational

The Downey Aquatic Club, a structured swim program of the Downey Unified School District, is happy to announce the forthcoming Third Annual Novice Invitational on July 22, 1967.

Invitations to swim clubs within the radius of a hundred miles or more are being mailed. Last year the Downey Aquatic Club hosted over six hundred young swimmers from all areas in Southern California.

TOP TRACK MAN--Ray Hughes, a teacher at Upland Jr. High, placed first with a time of 27 minutes, 13 seconds in the Second Annual Mt. Baldy Four-Mile "To The Notch" up hill run.

The race started at the parking lot of the ski lift at 6,500 feet, continued along the fire road to the finish line at the top of the first lift, 7,800 feet above sea level. Ray, running for the "Southern California Striders," was one of 46 other racers to enter the contest. The next Baldy activity will be Sunday, July 16, when the Pomona Chapter of the Model A Club of America will hold their first annual Mt. Baldy Hill Climb. The cars will leave Pomona between 7 and 11 a.m.

Marine Private Bill W. Sharp Jr., son of Mr. Bill W. Sharp Sr. of 312 Spencer, Upland, has completed four weeks of individual combat training at this Marine Corps Base.

## Mets in Slo-pitch top spot

The Upland Mets moved into first place in the Tuesday-Thursday Upland Slo-Pitch League when they downed Citrus Mustangs 7-4 in Thursday night action. The Mustangs dropped into a tie with W. C. Cline for the second spot.

Key Realty bombed Upland Presbyterian 22 to 8 to remain tied with Custom Plastics for leadership in the Monday-Wednesday League. Presbyterian fell two games off the pace with their loss to Key.

The third and final round began Monday. The winner and runner-up of each league will meet in a double elimination tournament to determine the city champion.

Warren Kirkpatrick (Key Realty) hit his fourth homerun to tie Larry Ward (Ontario Chrysler-Plymouth) for the top spot in the home-run department.

## Air conditioning for machines, not people

Massive air conditioning units to be installed soon in the Upland dial equipment office will improve telephone service for local customers, according to General Telephone company division manager, C.B. Miller.

"Strange as it may seem," said Miller, "this new \$40,000 unit is not being installed primarily for the comfort of the people who work in the equipment office, but the air conditioning is being installed to make the equipment itself operate better. Our electronic call directing equipment, and number connecting apparatus must be in a dust free, low-humidity, temperature controlled atmosphere to work at maximum efficiency."

"One speck of dust, in the right place, can cause a wrong number or cause a call to never be connected at all. This is one of the reasons our employees constantly clean our equipment on a daily basis."

"Smoke is another problem, and that is why none of our people are allowed to smoke in our dial offices. Smoke can affect equipment in the same manner as dust, and you can imagine what smog will do to our sensitive electronic machinery."

"With the addition of air conditioning, our projections for the cost of maintenance of equipment, replacement of parts that are now being ground away because minute dust particles causing friction, will drop significantly. And service will definitely be even better than what it is now. Our constant vigilance to keep our equipment in perfect working order will not be reduced in any way," concluded Miller, "but that phase of our business will simply be easier and more efficient."

A SON--Joey Franklin O'Neil was born to Mr. and Mrs. John W. O'Neil, 338 S. Third Ave., Upland. The infant weighed nine pounds, four ounces.

**CALIFORNIA HISTORY**--Mrs. Almuth Solomon taught California history to her fourth grade class at Mt. Baldy Elementary School this year via the students' hands. A class project included displays built by the children depicting early day life in the state. Above are some members and

their displays which will be shown this summer at the public library in Upland. They are, sitting, Brian Nash and Robin Gray. Standing, from left to right, are Jay Pritchard, Michael Orgill, Randy Cook, Matt Carnine, Allan Guyse and Lynnette Hendon.

## Dr. Bond is in New Mexico

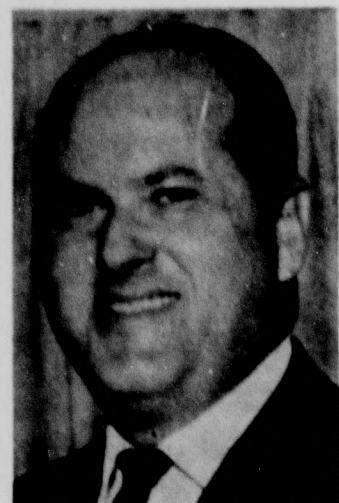

Dr. Alan B. Bond, 1656 N. Laurel Ave., Upland, is participating in the volunteer training program at Philmont Scout Ranch and Explorer Base at Cimarron, New Mexico.

He is enrolled in the Public Relations Conference, which is part of a national training program organized by the National Council, Boy Scouts of America.

Dr. Bond, physician and surgeon, serves as Scoutmaster for Troop 608, sponsored by the Upland Kiwanis Club in the Serrano District, Old Baldy Council, Boy Scouts of America, which coordinates Scouting for the boys of his area.

The course is being taught at the Philmont Volunteer Training Center and is one of the 28 courses that will be offered to about 1,200 volunteer Scout leaders this summer.

Attending some of the special programs available for women, Mrs. Bond is sharing the study-vacation period with her husband and their children Jeffrey, 14; Cindy, 14 and Jimmy, 10.

**SPEAKER**--Milton Stone, Realtor of Upland, will be one of four experts addressing an educational conference on Home Trade-In, sponsored by the California Real Estate Association. The conference will be part of a two-day session at the Biltmore Hotel in Los Angeles July 17-18, and the Hilton Inn at San Francisco airport July 20-21.

## Assistant manager at B of A

O. C. Reeder has been named assistant manager of Bank of America's Cucamonga branch. It was announced recently by Manager Clarke H. Boesen.

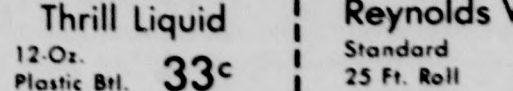

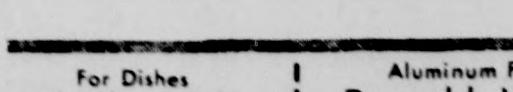

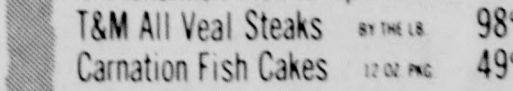

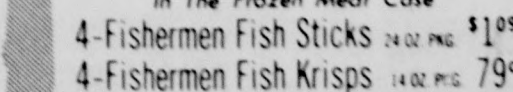

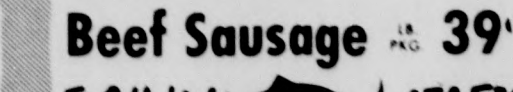

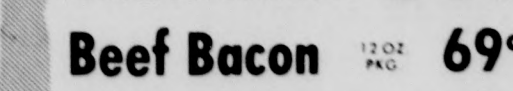

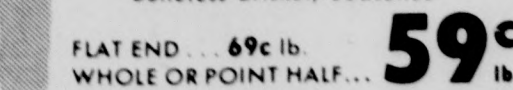

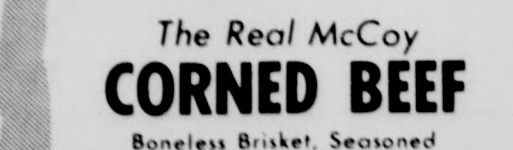

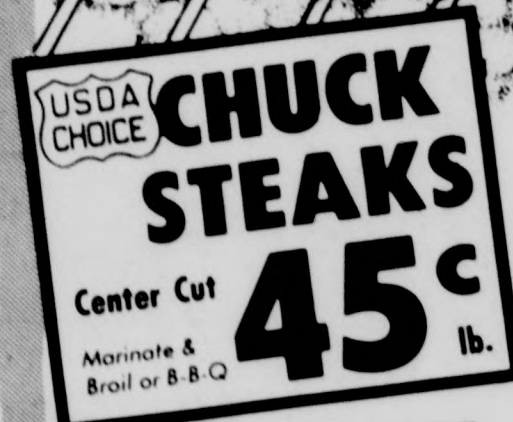

Reeder moves into his new post from the bank's area administration staff. Prior to this, he held senior officer posts at the Colton and Redlands branches and the Mt. Vernon-Trenton branch in San Bernardino. He began his banking career in 1937 as a teller.

Born in Pennsylvania, Reeder graduated from John C. Fremont High School in Los Angeles and attended Compton Junior College and Woodbury Business College. In addition, he has furthered his professional education with study courses offered by the American Institute of Banking. He has received a certificate of graduation from the Pacific Coast Banking School in Seattle.

He and his wife Elizabeth live in Redlands. They have two sons, Stephen who is married and lives in San Dimas and Thomas who is a student at USC.

## Missionary couple from Hong Kong to speak at Foothill

Rev. and Mrs. Bruce Ker, missionaries on furlough from their field in Hong Kong, will be featured at the "Christmas in July" program at the Foothill Baptist Church, 1330 West 15th Street, Wednesday, July 19.

The Kers will be speaking at 7:30 P.M. and a time of fellowship is planned at the close of the evening. The

purpose of the program is to provide Christmas gifts for the missionaries.

The unrest in Hong Kong will be discussed by the speakers and how they administer among the 3.8 million people in the 398 square mile area.

Rev. Ker served as associate director of the Hong Kong Baptist Student Center and was a teacher in the Hong Kong Baptist College. He has also preached at Bethany Baptist Chapel in downtown Kowloon.

Rev. Ker graduated from Westmont College in Santa Barbara and did graduate work at Dallas Theological Seminary in Dallas, Texas. Following a year of furlough and study, the family expects to return to the British Crown Colony with the Conservative Baptist Foreign Mission Society, Wheaton, Ill.

# Powder puffers winging home?

BEFORE, NOT AFTER—Mrs. Virginia Wegener, left, of West Covina, and Mrs. Marilyn Norton of Cucamonga won't look this cool and crisp after their 2500 flight miles in the Powder Puff Derby from Atlantic City, New Jersey, to Torrance, California. These women are just two out of two hundred others who competed for Powder Puff Derby trophies and \$3,000 in prize money.

Adverse weather conditions have caused a two-day delay in the 21st Annual All-Woman Transcontinental Air Race.

The Powder Puff Derby entrants were scheduled to take off July 8 in Atlantic City, New Jersey, but were delayed because of bad weather over the mountains of West Virginia. No relief in sight lengthened the possible one-day postponement to a definite two days.

Finally, on July 10, 45 of the airplanes took off and made it to Martinsburg, W. Va., where only 24 venturesome souls began flying the next day. Ten of those planes had to land at unauthorized air fields and were disqualified.

The West End entrants, Mrs. Marilyn Norton, of Cucamonga, and Mrs. Virginia Wegener, West Covina, were still at Martinsburg yesterday, July 11.

The race is officially over on July 13 unless it is extended because of the bad weather. Grounds for extension could be a high percentage of the planes not in on time because of the weather.

Mrs. Wegener, pilot, and Mrs. Norton, co-pilot, are navigating a Cherokee PA-28 on the exciting and unpredictable 2500-mile cross country Powder Puff Derby. Pilot Wegener, Mother of

three, is the owner and operator of her own flying school. Co-pilot Norton is a mother of four and a member of the Ninety-Nines, Inc., sponsor of the race.

The Ninety-Nines is an international organization of licensed women pilots with a membership of 2700 representing 23 different countries. The group was founded by Amelia Earheart in 1929 to promote aviation in general, and women pilots in particular.

The winners will be determined by the fastest transcontinental crossing, based on assigned handicaps for each make and model of aircraft. During the four-day flight, no planes will be allowed to wing through the sky after sundown.

Approximately 100 planes will fly from Atlantic City, New Jersey, above West Virginia, Ohio, Illinois, Missouri, Oklahoma, Texas, New Mexico and Arizona, and finally reach their destination, sunny California, on a now undetermined day.

The \$3,000 purse will be divided among the top five winners. Trophies will be given as well as several thousand dollars more in additional prize monies for the best scores between stops, best in each class of aircraft, and in other specialized categories.

Sponsoring firms, with their names painted on the light aircraft piloted by the West End pair, were:

Aylor Roofing, Montclair; Baron Aircraft Painting, Torrance Airport, Torrance; Electro-Winders Co., Inc., Covina; Ginny's Flying School, Brackett Field, La Verne; Inland Aviation, Ontario Airport, Ontario; Lytle's Television, Azusa; Superior Automotive Service, 315 Airport Drive, Upland; and Trans World Insurance Brokers, Beverly Hills.

## Census to be taken

Information about the number of children under 14 as well as the number of owner-occupied and rented households will be collected in a Census Bureau survey to be conducted here during the week of July 17, according to Director Leonard C. Isley of the Census Regional Office in Los Angeles.

Simultaneously, questions about employment and unemployment will also be asked for the Department of Labor's Bureau of Labor Statistics to determine national trends.

The identity of households participating in the survey is confidential and the facts obtained are used only for statistical purposes.

## Reagan urged to veto race bill

assignment of other reasons by the bill's sponsors, to keep this measure from coming quickly to a vote of the people of California through the conducting of a referendum.

"This play of the California Senate only highlights the poor quality of this legislative measure whose effect if signed into law will be increased gambling with all its attendant corruptive influences," asserted Pastor Bristol.

The local minister said he has written to Governor Reagan in behalf of his congregation asking that the governor reject the measure once it comes to his desk for signature.

The letter, Pastor Bristol said, "speaks for the deep concern each of our 350 congregational members has regarding this legislative measure which will move our State backward rather than forward from a moral point of view."

## They attend 'Day Camps'

Many girls from throughout the Chaffey District have been participating in one of the four-day camps located at the Firestone Scout Reservation near Brea Canyon Road.

These camps, sponsored by the Spanish Trails Girl Scout Council were: Firestone Equestrian Camp, Firestone Backpackers, Camp, Firestone Swim Camp and the Firestone Day Camp.

Girls from the West End area participating in one of these camps were Bonita Anderson, Joanne Garrison, Kathleen Gibson, Paula Rachuy, Linda Teget, Janice Bradley, Pamela Duffin, Diana Felton, Darlene Graves, Charlene Guengerich, Lisa Harbottle, Nancy Kerr, Laurel McPherson, Jacqueline Miller, Patricia Palstring, Diana Sage, Gloria Hamblin and Carol Miller.

## Club to be chartered

Fred Catani, president of the Pomona Valley Chapter of Parents Without Partners, Inc., will receive the Charter and also recognition for being the youngest and fastest chartered chapter in the group's history.

Charter members represent residents from Pomona, Claremont, Montclair, Upland, Chino, La Verne, San Dimas, Ontario, Temple City, Covina, West Covina and El Monte.

EMPLOYEE OF THE MONTH representing personnel at General Telephone's eastern area headquarters in Pomona is Miss Janice Fuller of Upland, who was singled out for her contributions to the firm's "Operation Error-Free" (OFF) campaign to eliminate errors. Presenting the award certificate are (left) George Janesick, Pomona division manager who will become the new OEF general chairman; and R.W. Shaffer, eastern area general manager. Miss Fuller, an operator, resides at 1387 Monte Verde, Upland.

## Pigs aren't just pigs at 1967 San Bernardino county fair

VICTORVILLE -- "Pigs is pigs," concluded Irwin S. Cobb.

There's more good humor than good sense in that comment by the late American humorist. And if he ever attended a county fair, Cobb must have known it.

One pig is not another. Nor is one sheep, nor one steer.

That's why animals at the Sept. 1 Junior Livestock Auction at the San Bernardino County Fair will stand out from others you've seen. Each must wear at least a second-place ribbon, won at the 1967 county fair. They're the finest.

Behind each is months of painstaking care, scientific feeding . . . and a bit of the heart of each clean-cut Farmer of America, Farmerettes or 4-H club youngster. It's their year's project.

While their animals matured, so did they. They gained responsibility, knowledge of good farm practices, pride of ownership -- and the prospect of making a profit on their labors, in the sawdust auction ring.

And that's where you can come in.

Like visiting royalty, you'll park, enter the fairgrounds, get a VIP name tag, be hosted to refreshments and sit in a special section, all free.

Bidding's a breeze, too -- and great fun. A nod, tug of the ear or wink will do for keen-eyed auctioneers.

And the red carpet doesn't

end there. Whether you're buying for yourself or splitting with a friend; or if you're buying as a market, restaurant, service club or packing house, a special photographer will picture you with your top-grade animal.

No fuss or bother about getting it into your freezer, either, says chairman David

J. Macpherson. If you wish, the management will see that your animal is butchered, cut, wrapped, frozen and delivered. It takes only a word from you.

But your reign is only beginning.

You'll dine like a king, for you'll be the owner of some of the choicest dinner fare in the county!

OFF TO JAPAN--Beginning her journey, right above, is Penelope R. Cox, Upland High School senior, daughter of Mr. and Mrs. Merle K. Cox, 1421 North Francis, as she prepares to board a jetliner at Los Angeles for Japan. She will live two months with Japanese families as an exchange student sponsored by the Lions International Club and its Youth Exchange Program. Assisting her with her coat is Junka Kawai, of the Japan Air Lines.

## Safety suggestions

California Highway Patrol motorcycle officers will be safer because of the suggestion of CHP Officers John E. Law of 21216 Turner St., Charter Oak, and Albert G. O'Connor of 1528 N. Second Street, Upland.

The two officers, both stationed at the Pomona office of the CHP, suggested that the horns on Patrol motorcycles be wired so that they can be operated with the ignition off and thus possibly avert an accident.

O'Connor was injured and his motorcycle damaged recently when the driver of a

car he had stopped failed to set the hand brake and the car accidentally rolled back into the officer's motorcycle.

O'Connor did not have time enough to turn the ignition on and operate the horn.

Had it been possible to operate the horn with the ignition off, the motorist might have been warned in time to stop his car.

The two officers divided a \$50 award from the State Merit Award Board for the suggestion which is already being incorporated on CHP motorcycles.

## Mike Stakely is president

The Cucamonga-Alta Loma Explorer Scouts, Post 642, recently held elections for the coming term.

Mike Stakely was elected president, and Gary Anderson, vice-president. Cabinet representatives include Charles Harris and Randy Fletcher.

Secretary is Steve Stakely; treasurer, David Warner; and quartermaster, Carl Gottschalk.

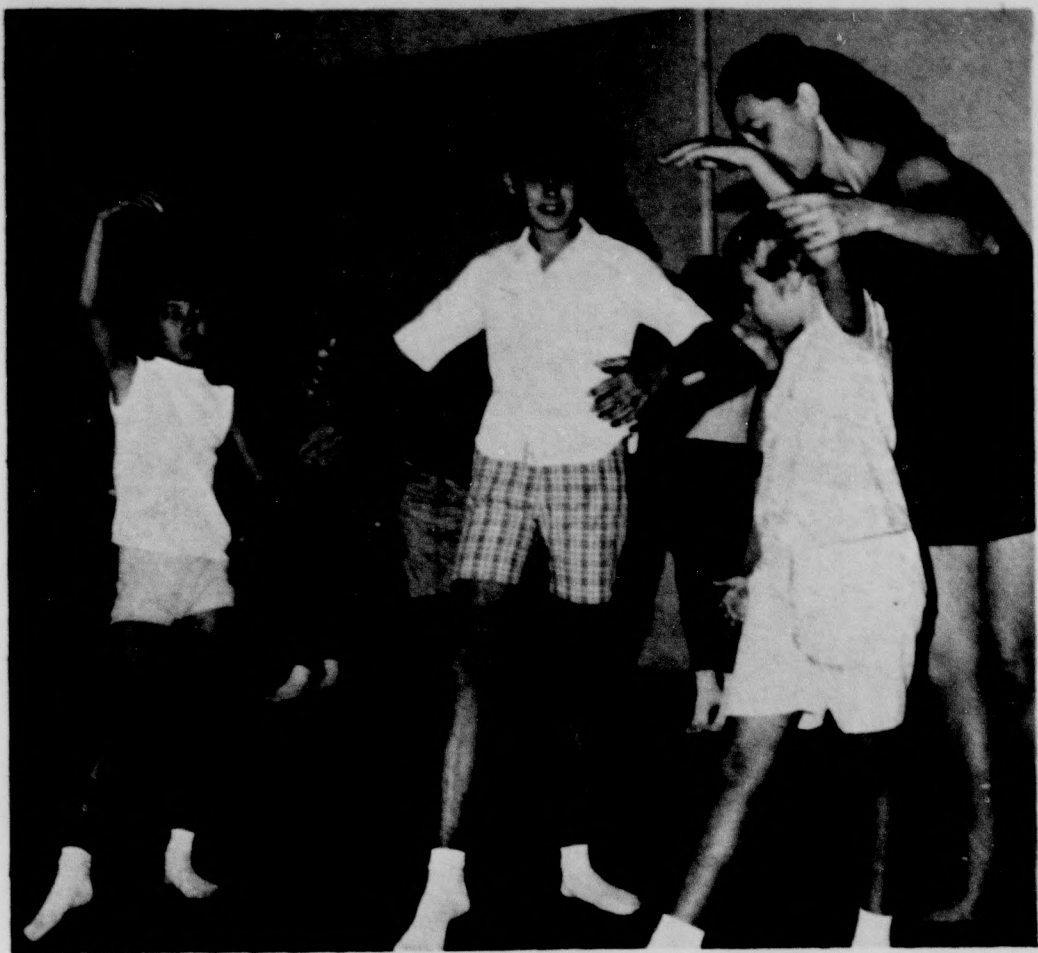

Activities for the next three months include skin-diving in June, camping in July, and aviation in August.

BUSY BEAVERS--The Creative Workshop for Children at St. Mark's Episcopal Church gives these children an opportunity to express their creative abilities in various projects. On July 14, the last day of the Workshop, their works of art will be on display at the open house

for friends and parents to see. Three other classes, science, expressive dance, and drama, will also exhibit the projects they've been working on for the past two weeks.

**PRIMA DONNAS**--Mrs. Jo Ann Shelley is explaining proper position to three of her students: Lin Jakobic, left; Linda Hurley, center; and Della Hensley, right. ## Congressman JERRY PETTIS' Washington Report

While the free world is beginning to feel the pinch caused by Gamal Abdel Nasser's continued closing of the Suez Canal, our Government moves to relinquish United States sovereignty over an even more vital waterway, the Panama Canal.

Crucial in the defense of our nation and absolutely essential to the economic independence of several Latin American nations, the "big ditch" is now the object of intensive planning by Fidel Castro and his Russian bosses.

The President initiated treaty talks designed to eventually turn over control of the Canal Zone to Panama following bloody rioting sparked by the Communists in 1964. Both governments announced completion of treaty drafts the other day, and unless the Congress moves quickly and decisively, the Administration will give the incendiary Panamanians power to cut the free world's jugular vein.

It's my opinion that this question of the Canal may well be the most strategic international issue of this decade. A treaty of "convenience" now could jeopardize our nation's future.

It is curiously significant that other countries in Central and South America are not enthusiastic about these treaty talks. They are not eager to see an unstable government as vulnerable to Communist influence as Panama in control of their lifeline. It is incredible that a sensible government of a country as small as Panama would want such awesome responsibility. The possibility of United States' involvement in a war unpopular to demonstrators in Panama suggests domestic problems that could bring down a government friendly to us. An unfriendly regime could and would paralyze our war effort.

One of the proposed treaties calls for construction of a new, sea-level canal, but it does not specify where this larger canal would be. In a burst of blind "generosity" we are spurred by a handful of Castro-controlled rabble-rousers to give away our only means of uniting our two-sea naval powers, before the location of a new canal is even decided.

This country has a treaty that has served the interests of both nations for many years without subjecting Panama to the kind of pressure that would inevitably develop if the canal were in her control.

The 1966 Communist Tri-Continental Conference in Havana announced as its goal "the destruction of the non-communist governments in the New World." Nothing would please them more than a U. S. pull out or weakening in Panama.

When signed by both governments, these hastily-drawn, untimely treaties will go to the Senate where the Administration too often cracks the whip. They need not be ratified by the House of Representatives. President Johnson is expected to sign for the United States this month.

The Soviets give high priority to Russian control of the Middle East and the Suez Canal -- "the crossroads of the world." Unless the American voter expresses himself clearly and quickly to the Administration and the Senate, we may soon open the door to Communist domination of an even more vital crossroads.

## From the Mailbox

**Editor:**  
Has the Administration been entirely candid regarding the Kennedy Round of trade negotiations just concluded at Geneva? Ostensibly they were for the purpose of liberalizing international trade.

Now it comes out that they also set a minimum price for wheat. That sounds like price fixing and market restraint.

Apparently there is also a food giveaway provision with the U.S., as usual, providing the lion's share. That sounds like aid-not trade. How much more will this cost us on top of the \$7 billion annually we are already spending for foreign aid-not to mention the \$25 billion annual expenditure in Vietnam? Where's all the dough coming from?

How much grain is Canada contributing, after selling millions of tons to the Communist nations? Who would allocate this aid and select the recipients? What safeguards are established against its misuse?

Did Congress knowingly grant to the negotiators and the Executive such discretionary power or was it usurped? What recourse does Congress have to assure proper controls, etc?

These are some of the questions to which Congress and the public should have answers before the agreement is signed.

Very truly yours,

## BEHIND THE HEADLINES..

by Jack Harper

If you think we humans have difficulties adjusting to Twentieth Century suburban life as it is lived in Upland, especially in the huge apartment complexes, imagine what it is like for a dog.

This story is about our family pet - Pete. I thought of Pete a lot on Independence Day as I read the stirring freedom articles in the newspapers. Pete is a freedom fighter, too, the most tenacious I have ever encountered. His adjustment to apartment living in suburbia has required high intelligence and a certain give and take that marks civilization.

A plain, small, short brown-haired, soft brown-eyed mutt of unknown ancestry, Pete was picked from a Sacramento shelter as a puppy by my son, Jim, who'd just seen his hamster die of old age. My wife had rented and oked a dog during Jim's grief which resulted in a consoling talk with me as I faced a newspaper deadline at 12 p.m. in a town 20 miles away.

It wasn't a mistake. Pete, or Pedro as I like to call him when around sleek pure-blooded canines, has become a brother for Jim, a second son for me, companion and protector of my wife, and playmate for our two daughters.

He had his freedom fight in Sacramento, adjusted and won it, now he's in another in Upland.

In Sacramento he had a yard which was to be his domain. Like any self-respecting San Quentin prisoner, he escaped through the holes, tunneled under, and finally, became an excellent climber over the eight foot high redwood fence. This became such an art he could, from a running start, hit the garbage can and bound over in one leap. It was simpler than climbing rung by rung manlike.

His tag at the shelter said Terrier-Fox. This characteristic was strictly fox.

We gave up on the backyard and allowed him to roam free - to see what would happen. Surprisingly, he won the friendship of neighbors and learned to avoid the local dog catcher (pardon me, humane officer). There were no complaints. Seven kids in that block claimed Pete as their own and the housewives said he protected them on dark nights when they came home late.

Upland is proving a tougher revolution ground for Pete. The denser population, necessitating more stringent rules and regulations, especially in the apartment area, is testing his mettle again.

He sleeps inside in Jim's bedroom as we found he cleared a series of fences over apartment patios the first night in town.

The 24-hour seven day a week leash law has also cramped his style some, and there are just too many people around for him to make friends with all of them.

Pete suffers because of the other dogs, we tell ourselves. We know that Pete goes to the bathroom in the open fields at back, but not many others believe it.

"If I see him loose again I'll call the poundmaster," the lady up the street told my son. "He growled at my husband and I don't want him around my children."

And the apartment owner up the other way, who rents to adults only and has a swimming pool, gave us the same warning through our children. People can get real tough with youngsters.

Pete has some friends, mostly in the immediate neighborhood. One lady brings a steak over occasionally just for Pete and we get knocks on the door from children who want him to come out and play with them. There aren't enough friends, though.

The humane officer of Upland chased Pete unsuccessfully one day, but the foxy mutt fooled him. When the officer watched to see if he'd go home Pete went off to the school grounds and had a fine time playing with the children.

Later the officer spotted Pete in the car with my wife and followed them home. There he informed her that if he ever saw Pete loose again, he would issue a warrant for her arrest and bring city hall down on our necks.

Pete now has two licenses, one from Sacramento and another from Upland. He has been vaccinated twice for rabies in two years and once for distemper. He's got a chain attached to his dog house on the patio out back, and a short leash for walking.

The whole family gets more exercise now taking Pete on long walks. I usually end my day by taking him to a nearby orange grove where I break the law, perhaps, by letting him run after an occasional rabbit we find there.

We'll probably give Pete his freedom eventually by buying a house in a less populated area or by moving back to the sticks.

But suburbia planners had better consider the Petes of this country in laying out their shiny new metropolises. His welfare and the tradition it represents will determine just how successful they will be.

## Fire closures in forest set

Don R. Bauer, Supervisor of the San Bernardino National Forest, announced today that portions of the high value watersheds of the San Bernardino National Forest will be closed to public entry effective July 1st.

The area to be closed consists of the inaccessible, steeper chaparral covered slopes comprising approximately one-fourth of the Forest. All areas closed will be posted at entrances and along the boundaries.

Doug and Nancy have a married daughter in Ohio, and a son, David, in the U.S. Marines in Quantico Va.

**PLANE SOLD IN FLIGHT**—Walter Cable, Upland, Calif., pilot and co-owner of Cable Airport there, set new world's light plane altitude record of 43,699 feet in 1967 Cessna Centurion which Inland Bank of Pomona, Calif. helped him finance. Plane was sold while Cable was aloft on his record flight.

**THE LIFE OF A DOUGHNUT** is depicted above by Owner-Manager Leo Scott of the Scott Donut House in the A and P shopping center of Upland last Friday. Looking on wistfully are members of Scout Troop 1144 from St. Joseph's School, Upland. They toured the local shop as a part of their troop activity.

## Game commission opposes gun law

The California Fish and Game Commission has adopted a resolution opposing the Dodd-Celler Bill or similar legislation "that would further limit the rights of the citizens of this country to possess and bear arms."

The resolution, adopted unanimously at the commission's June 30 meeting in San Francisco, noted that California is a sport-minded state, and hundreds of thousands of its citizens possess firearms used for hunting and other recreational purposes.

The commission pointed out that experts agree strict penalties for crimes committed while armed, with effective law enforcement supported by courts and juries, provide the most effective combination for control.

"Any federal firearms further restricting the purchase of firearms by responsible citizens would be a dangerous infringement on the Bill of Rights, and could impose such a burden on the sale, possession, and use of firearms for legitimate purposes that it would completely discourage and eventually exclude the private ownership of all guns," the resolution stated.

"Any such legislation could seriously damage the recreational economy of the state and nation, damage essential wildlife conservation programs, and inflict further federal authority on powers reserved to the states," the commission said.

The commission requested Congress to refrain from passing the Dodd-Celler bills (S. 1-HR 5384) or

similar legislation. Copies were sent to both houses of Congress and each member of the California delegation.

## United Fund drive is well under way

"Organization for the 1967 West End United Fund Campaign is well under way", it was announced this morning by Mr. Lew Genge, Campaign Drive Chairman.

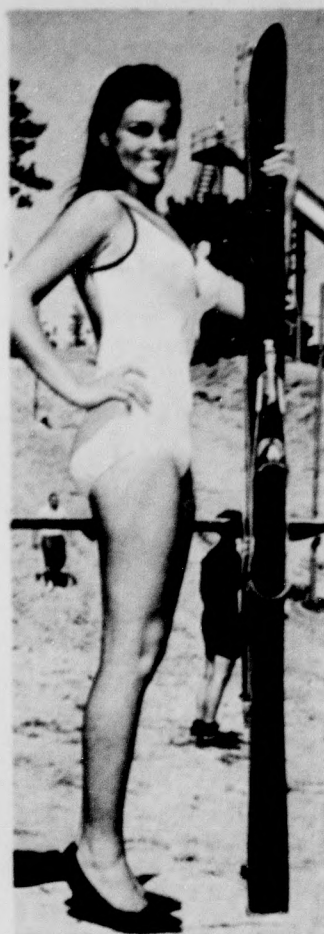

"Mrs. Elwood Chapman, of 210 West Sixth Street, Ontario, was named Chairman of the Individual and Special Gifts Division while Frank Colella, 413 Alpine Street, Upland, was indicated as Chairman of the Major Corporate Gifts Division", according to Mr. Genge.

Mrs. Chapman has been an active civic worker throughout the West End during past years. She served as President of the Chaffey High School P.T.A., plus fulfilling two years as President of the Ontario-Montclair P.T.A. Council. She is connected with the West End Human Relations Committee, the West End Family Counseling Service Agency, and is a member of the Bethel Congregational Church. Last year she successfully served as Chairman of the Ontario Special Gifts Division of the West End United Fund Drive. Mr. Colella is Manager of the Fourth Street Branch of the Bank of America in Ontario. He has served as a

member of the Board of Directors of the Old Baldy Boy Scout Council. He is a Past-President of the Ontario Chamber of Commerce and has served for many years as a member of the Chamber Board of Directors. He was 1965 General Chairman of the West End United Fund Campaign and also gave freely of his time to serve as General Chairman of a recent American Cancer Society Campaign. Frank Colella is also active as a Kiwanis Club member, serves as an Advisory Board member to OPARC and he participates in the Elks Club activities.

According to Mr. Genge, "Mrs. Chapman will be in complete charge of the Individual and Special Gifts Division of the drive throughout the 8 cities of the West End. The goal for this division will be \$18,000. Mr. Colella will direct one of the largest sections of the appeal in that his team will be calling upon many corporations for contributions to total more than \$60,000."

Goal of the 1967 Campaign is \$335,000 to be shared among 27 participating agencies including the American Red Cross.

MT. BALDY BEAUTY--Miss Michelle Fullmer, 17, of Sylmar, poses prettily atop Baldy, where she won first place in the 13th annual Miss Mt. Baldy Beauty pageant last Sunday, July 9. First runner up was Jackie Lyn Huntley, 17, Lakeside, and Judith Anne Coe, also 17, of Temple City was second runner up.

## Creative workshop in full swing now

The Creative Workshop for Children, a non profit educational corporation, is successfully conducting its annual two week summer session at St. Marks Episcopal church, Upland. The workshop began July 3rd and will continue through July 14th.

Classes in session at the workshop are in Art, Science, Expressive Dance, and Drama.

An open house is scheduled on the last day of the workshop Friday July 14th, 7:30-8:30 P.M. at St. Marks Episcopal Church. Parents,

friends, and children are invited to view the results of the activities of the workshop. At 8:00 P.M. the teachers will give a short resume of what was covered in their classes.

Following the workshop, a teacher and Creative Workshop Council luncheon will be held Monday July 17th, 12:00 noon at the home of Mrs. William Henke 675 Redding Way, Upland.

Members on the Creative workshop council are: Mrs. Edward Capparelli, Mrs. C. L. Cochran, Mrs. Marilyn Dawson, Mrs. William Fish,

Mrs. Bruce Gushue, Mrs. William Henke, Mrs. David Hopley, Mrs. Robert Latham, Mrs. C.D. Metzger, Mrs. Richard Pasma, Mrs. Paul Sage, Mrs. Dudley Smith, Mrs. Jack Spence, Mrs. J.

William Symonds, Mrs. E. David Winninger. Mrs. Hopley, registrar reported that a total of one hundred ninety-one children enrolled in the workshop this year.

### 80 girls at Camp Nawakwa

The Fourth of July started off a week of fun and excitement for 80 girls at Camp Nawakwa. The camp is owned and operated by the Camp Fire Girls, Mt. San Antonio Council.

"America the Beautiful" is the theme for the week with John Muir, a costumed counselor, appearing often to talk to the girls about nature and conservation. The highlight of the week will be a banquet Sunday, with each girl coming dressed as her favorite character from American history.

Apart from the special theme this week the girls will be learning many new things. Outdoor cooking, nature lore, swimming, hiking, horseback riding, creative crafts are just a few of the

activities each girl will enjoy. Campfire programs, inspirational programs, and singing tie together a week of fun and learning in the out of doors.

## 'Saint Joan' at First Presbyterian

The nationally known Bishop's Company of Burbank, California, will appear in Highlights from George Bernard Shaw's classic play SAINT JOAN on Friday evening, July 14, 1967, at 8:00 p.m., in the Sanctuary of Upland First Presbyterian Church.

From the finest of English literature comes this story of SAINT JOAN, the story of the Maid's faith and inspiration. Joan's many faceted character from the peasant girl of Lorraine through her final consummation in Rouen, was never more con-

temporary than today, when our world rests upon the conscience of each man and woman and their personal decision.

The roles of the men who completed Joan's history provide a great portion of the excitement in this unusual evening of theatre. Meeting the challenge with dexterity and skill, the actors present their several roles: the pompous Squire de Beaudrecoart; forceful and staunch Dunols, Captain of the French forces; the sympathetic but militant churchman, Ladvenu; the childlike

and whimpering Charles, the Dauphin; Frances' unworldly King; the sincere and sinister Inquisitor; and the Archbishop of Rheims Cathedral.

The Bishop's Company was founded in 1952 by Phyllis Beardsley Bokar and is in its fourteenth year of bringing fine drama into the houses of worship in America and Canada. It has appeared in over 7,000 churches of all denominations and has a touring record of over a million miles.

The Bishop's Company will appear under the sponsorship of The Adult Work Committee of Upland First Presbyterian Church, Tickets, \$1.00 for adults and \$0.50 for college age and under, may be obtained at the door, or by calling the Church Office, 982-8811.

A DAUGHTER -- Gina Marie Riggsby was born July 3 to Mr. and Mrs. Ronald B. Riggsby, 205 S. Second Ave., Upland, at San Antonio Community Hospital. The infant weighed eight pounds, seven ounces.

## Parcel post weight limit is raised

Mallors can send 25 pound parcels between first class post offices which are 150 miles or more apart. Postmaster John W. James reminded patrons today. The present limit is 20 pounds, he said.

The new ruling became effective July 1.

This is the first of five increases scheduled to take effect annually until 1971, when a 40 pound, 84 inch maximum size will be authorized between all first class post offices. Size limitations are now 72 inches in combined girth and length.

The next increase, on July 1, 1968, will raise the weight limit to 30 pounds. On July 1, 1969, the weight limit will be increased from 30 to 40 pounds; on July 1, 1970, the size will be increased to 78 inches; and on July 1, 1971, the size is scheduled to be increased to 84 inches.

Postmaster James also reminded mallors that parcels weighing up to 40 pounds can be mailed between first class post offices less than 150 miles apart. Packages addressed to and from 2nd, 3rd, and 4th class post offices, Alaska and Hawaii are not affected by the increase in size and weight provisions of the Public Law 89-573, which became effective January 15, he said. Parcel Post mailings to and from these offices remain at 70 pounds and 100 inches.

## Bible school at St. Marks begins July 21

Professional teachers and trained personnel will staff the Daily Vacation Bible School at St. Mark's Episcopal Church, Upland.

Sessions will begin Monday, July 17, and continue through Friday, July 21. Hours are from 9:00 to 11:15 a.m.

The school is open to all children, but classes are limited to fifteen children each. Registration fee is \$1.50 per student, or a family rate of \$3.00.

Advance registration may be made at the church office, 330 East 16th Street, daily from 9:00 a.m. to 1:00 p.m.

Participating staff members are: Kindergarten, Mrs. R.E. Ferguson, Mrs. H.E. Hultberg; First grade, Mrs. Jack Snowdon, Mrs. Bruce Gushue; Second grade, Mrs. Gerald Kramer, Mrs. James Pilkington; Third-fourth grades, Mrs. William Symonds, Mrs. Joe Longo; Fifth-sixth grades, Mrs. James Vest, Mrs. Joanne Fry, Music, Mrs. Don Anthony, Arts and crafts, Mrs. Graham Hiseock, Mr. and Mrs. Peter DeRosa, Mrs. Stephen Batchelor, Nourishment, Mrs. Arnold Wright.

## Y-menettes enjoy slides at dinner

The Ontario-Upland Y's Menettes met recently for dinner at the Yangtze Restaurant, adjoining to the Y.M.C.A. for an interesting program of picture slides of Cucamonga Canyon, Zion and Bryce narrated by Mr. W.A. Dean, a member of the Ontario Photography Club, who had won prizes on his film.

A profitable report was heard on a recent rummage sale held by Y's Menettes at the Y.M.C.A. which made it possible to send four deserving boys of Ontario and Upland to camp.

A Roll-A-Way silverware chest was purchased for the Y.M.C.A.

It was voted to pay convention registration fee for Mrs. Darrell Baird, who will represent the Y's Menettes at the Green Lakes, Wisc. convention. Also a sum of money was mailed to the Convention headquarters for the Paul Alexander scholarship fund and the Bishop fund.

It was announced the next meeting will be a Luau on July 26, in the home of Mrs. Wayne Zwiacher, with husbands (the Y's Men) attending.

## News meet for media of county

It was announced Monday by Supervisor Daniel P. Mikesell, Chairman of the Board of Supervisors, that all news media have been invited to attend a County Government briefing to be held Friday, July 14, at 10 a.m. in the Chambers of the Board of Supervisors.

"We will present briefly as possible, charts and pictures reflecting the role of County Government as it pertains to the individual citizen and to the cities of this County," Mikesell said. "Most of our citizens are

not aware of the many direct benefits County Government offers them. It will be our intention to inform the news media that County Government is the one government that plays such a vital role in the lives of our citizens daily, along with the many mandatory directives dele-

gated to us by the State Legislature," Mikesell said. This same type of program is offered to citizens groups and organizations throughout our County and any interested persons may contact the Board of Supervisors, Court House Addition, San Bernardino.

## "Me, an investor? Don't make me laugh."

Go ahead and laugh. But it's likely you are an investor in the Southern California Edison Co.

Lots of people have purchased modest amounts of Edison stock. We have, altogether, about 145,000 "owners."

Even if you don't think you're an owner, you may be. If you have an insurance policy, or are in a pension plan, for instance. Insurance companies reinvest your savings in securities like ours. So do pension funds.

Southern California Edison is owned entirely by private investors. And being investor-owned, we

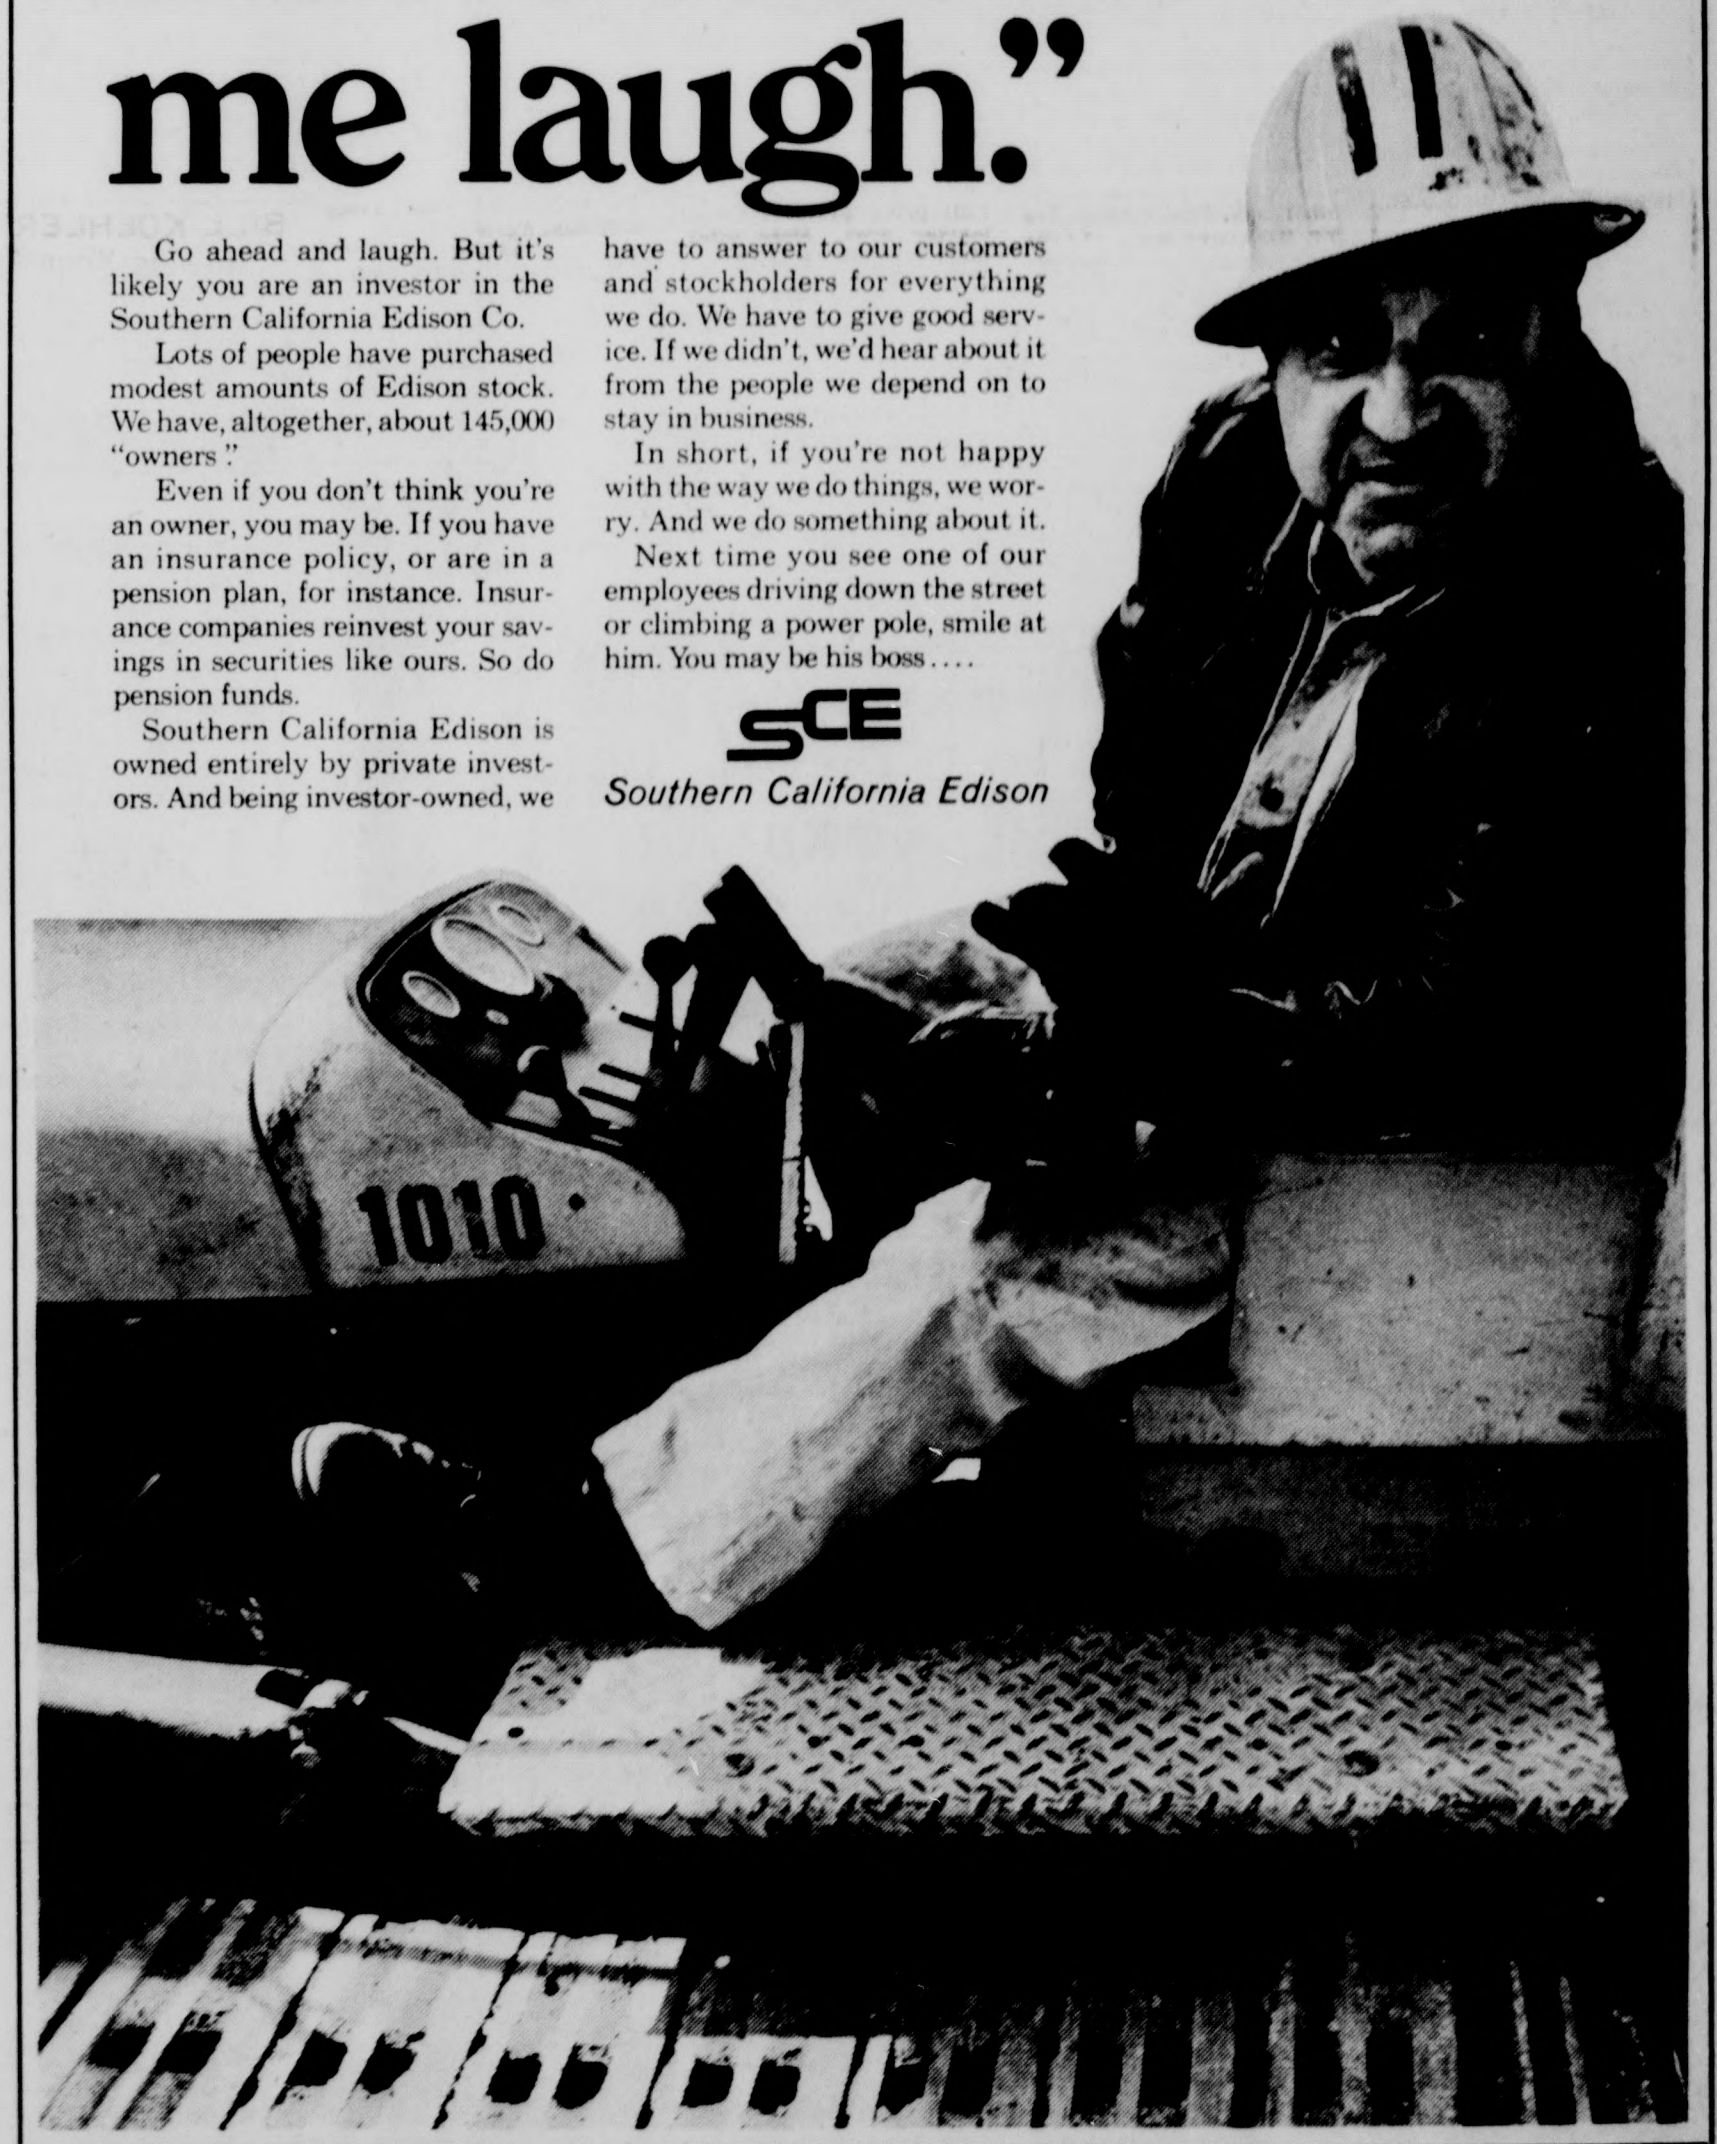

have to answer to our customers and stockholders for everything we do. We have to give good service. If we didn't, we'd hear about it from the people we depend on to stay in business.

In short, if you're not happy with the way we do things, we worry. And we do something about it.

Next time you see one of our employees driving down the street or climbing a power pole, smile at him. You may be his boss....

# Our men in service Future officers train

Two future Army officers from Upland are attending Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16.

They are receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, they will be commissioned second lieutenants in the U.S. Army.

Robert A. Baumann II, 20, whose parents live at 874 N. Tenth Ave., is attending from the University of San Francisco. He is a 1964 graduate of Pomona Catholic Boys' High School in LaVerne.

Randall W. Krieger, 21, son of Mr. and Mrs. George W.

Krieger, 535 W. 24th St., is attending from the University of California at Santa Barbara. Krieger is a 1963 graduate of Upland High School. He is a member of Phi Sigma Kappa fraternity.

**NOW A MARINE**—Marine Private Charles B. Thomas, son of Mr. Arnell J. Thomas of 9686 Devon St., Cucamonga, Calif., was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at Camp Pendleton.

Cucamongan — David B. Hansen, son of Mr. and Mrs. Jack T. Hansen of 7839 Buena Vista, Cucamonga, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School (OTS) at Lackland AFB, Tex.

Lieutenant Hansen, selected for OTS through competitive examination, is being assigned to Vance AFB, Okla., for pilot training. The lieutenant, a graduate of Upland (Calif.) High School, received his B.A. degree in biology from Vanderbilt University, Nashville, Tenn., in 1965. He is a member of Sigma Alpha Epsilon.

Army Private John L. Crean, 20, son of Mr. and Mrs. Peter Crean, 7923 Valle Vista, Cucamonga, completed nine weeks of advanced infantry training June 16 at Ft. Polk, La. His last week of training was spent in guerrilla warfare exercises.

Gunner's Mate Third Class Charles F. Benninghoff III, USN, son of Mr. and Mrs. Charles F. Benninghoff Jr., of 905 N. First Ave., Upland, is part of the supply force serving ships operating in war zone waters off the coast of Vietnam, as a crewman aboard the retri-gerated stores ship USS REGULUS.

Stephen J. Short, 19, son of Mrs. Mabel M. Short, 861 Alpine St., Upland, was promoted May 25 to Army specialist four in Vietnam where he is assigned as a communication center specialist in Company C, 41st Signal Battalion.

Airman James R. Harne, son of Mr. and Mrs. Thomas E. Harne of 7066 Etiwanda Ave., Etiwanda, has been selected for technical training at Lowry AFB, Colo., as a U.S. Air Force munitions specialist.

Airman Harne is a graduate of Alta Loma (Calif.) High School.

**we care**

## why should we guarantee other people's products?

If we didn't, we couldn't honestly say WE CARE. Could we?

You see, before any product is allowed on our shelves, we've checked it out pretty carefully.

We've checked the company that makes it. We've checked to be sure the product is all the package says it is.

If you ever buy anything at A&P you're not happy with, you don't have to bother to write a letter to the company that made it.

Just tell your A&P store manager.

He'll give you your money back.

We'll get in touch with that company for you... and for us.

That's A&P's guarantee. No matter who makes it, if A&P sells it, A&P guarantees it.

Not every store can offer you a guarantee like that. A&P can... and does.

Shouldn't A&P be your store?
